In recognition and acknowledgment of the help and service she has given us during the past year, we, the Beta Club, dedicate THE 1957 DUCAMUS to Miss Lavada Baggett, our sponsor. We do this proudly because it was she who guided our fumbling efforts not only in the publishing of THE DUCAMUS, but in the classrooms as a counselor and a friend.

foreword

We, the annual staff of Immokalee High School, are happy to present to you THE DUCAMUS. It is our sincere wish that this annual of 1957 will serve to recall and enhance the many golden, happy memories of this school year.

To the administration, faculty, and student body, we would say, "Thank you for the help and encouragement offered when it was most needed." We are justly proud of the 1956-57 DUCAMUS, and we hope that you will consider it to be the result of honest efforts, endeavors, and perseverance. . .

from the
office . . .

Dear Betas,

Congratulations! It is with great pleasure that I congratulate you on such a fine yearbook. As a club, you have set a pattern which should be the envy of all Betas' to come.

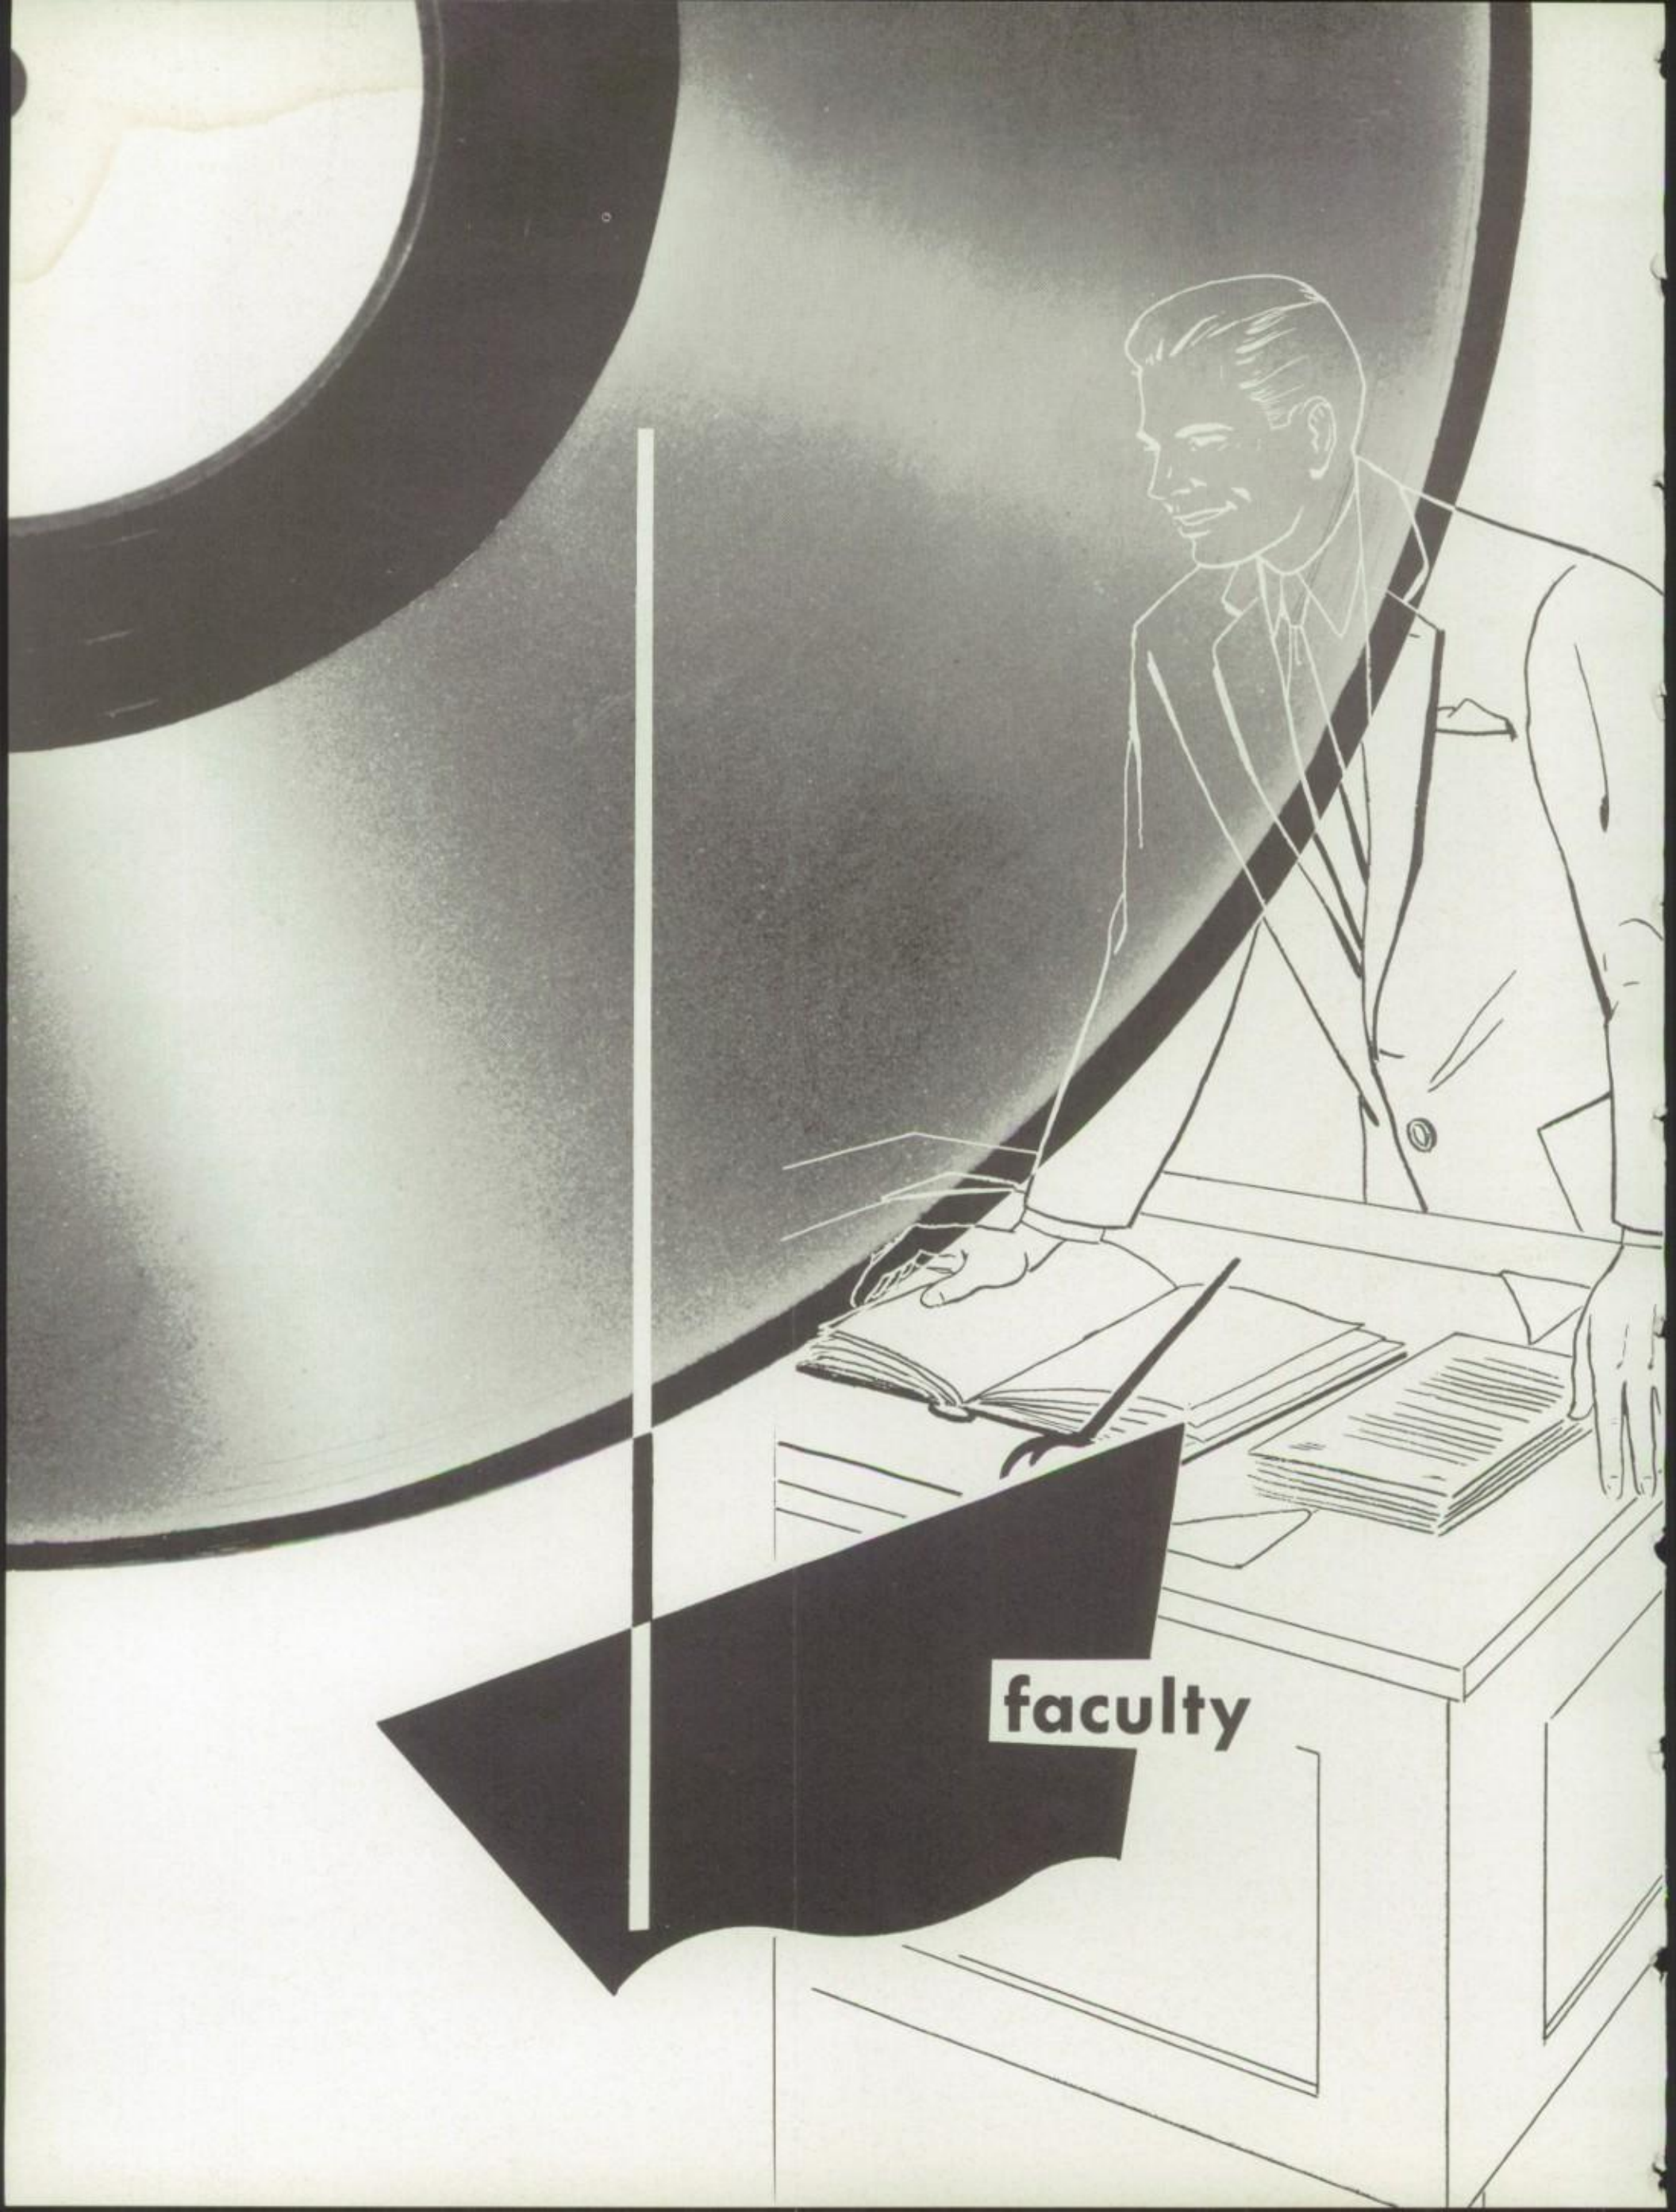

The work you have done has been outstanding. Your sponsor, Miss Baggett, is to be praised for her guidance and inspiration in giving to IMMOKALEE HIGH SCHOOL our best yearbook yet, THE 1957 DUCAMUS.

May peace and prosperity go with you, and may each of you continue to serve by leading others.

Very truly yours,
